An employee at an excellent firm, Yari Shingo is, in reality, a huge sponger! by the Maruyama Family. But his mother is not a short-cut person.

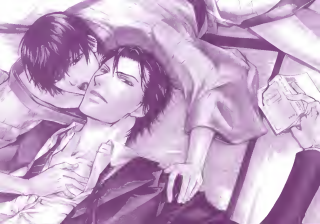

Maruyama Akiko really likes Yari and always clings to him when he works, telling him, "If you want to get out from under my wing, I'll let you go!"

He takes any chance he can to get close. "I'm not your son!" Akiko shouts. But every time he sees the look on Akiko's face, he's powerless to resist and sleeps with her again and again.

In order to separate the fun of them, the higher-ups have begun to quietly take action! Master and servant's modern, vulgar and serious love story.
